Greetings-

Thank you all for another successful season! This coming season we are looking to open communication and automate as much as possible. We ask that you keep your email updated with the PMSC Membership Director and utilize online resources to make all aspects of the club engaging, easier and more cost effective. We are working to automate memberships this year also.

The links here are all live and can help you navigate to the PMSC website for details on events, trail conditions, membership and other areas of interest for members and visitors. We also welcome you to join our Facebook (link below) to stay tuned into updates- real time and collaborate with other snowmobile advocates. This is a great area to meet new people, coordinate group rides as well as stay up o date on trail conditions.

Upcoming Events

Saturday, April 23rd- In an effort to beat tick and black-fly season this year, we've planned the Adopt-a-Highway trash pick-up festival early.

We'll meet at the New Durham Town Hall at 9am for the usual briefing and bag dispensing, then proceed to Route 11. Should take no more than a couple of hours but any of your time offered will be much appreciated.

All pickers are welcome to return to the Mason's house for a quick hand scrubbing and lunch on the BBQ.

Get Involved!

PMSC will be setting up committees to cover areas to support the club. If you are interested in getting more involved and can assist in a given area, please visit us online to learn more.

Thank You-
PMSC Directors
