Trail Master Report:

Bob Bickford reported that the summer GIA has been closed out. We spent everything except for \$20. We are just finishing up a few loads of gravel. The winter GIA is signed and going to council. The 1000 groomer is ready to go and the 2000 just needs hydraulic fluid. The drag is scheduled next for service. We will be done and ready to roll by December 15th. Jay brushed out Baxter Lake Trail Head. In great shape. Charlie Kane chipped and helped out. His grandson spread two loads of dirt. There remains a beaver problem. We will contact the pros to help out with the situation. The RR bed has been signed and posts added where needed. Keys were made for the state gates. We now have American flags on both groomers. Mike Gelinis reported that the Town Selectman approved trail from Bracket Road to Fish & Game to be on town property. Jim Matthew will put signs on the trails that Ginny Abresch made to identify Sunrise Trail, Tree Farm Trail and Camp Pride Trail. We still have intersection signs for sale.
